nicolemoniquemaas@gmail.com

Location: Comprehensive
Therapy Services
5677 Oberlin Drive, Suite
106, San Diego, CA 92121

Do you or someone you know

- Suffer from chronic vulvar and/or vaginal pain?
- Have pain with intercourse?
- Been diagnosed with interstitial cystitis (IC)?
- Have pelvic floor dysfunction?

If so, please join our support group! We are a group of women who meet in a private and confidential environment to discuss sensitive women's health issues related to vulvodynia.
