We are hereby reminding you that appointments that are not canceled in a timely manner and cannot be rescheduled for other patients will be charged to the patient. This charge is not covered by insurance.

Clinic time is in demand. Patients want to come in for physical therapy treatment and are unable to schedule because the schedule is fully booked. When you miss your appointment this is time that cannot be utilized for other patients needing care.

Please call as soon as you know that you can't make your appointment. You can leave a message on our telephone 858 457 8419 ANY TIME DAY OR NIGHT. We check our messages continually throughout the day.

A 24 hour notice is required unless there is an emergency situation. Call at your earliest convenience. We want to work with you to see that you get the care your physician ordered to resolve your problem and get well.

Thanking you for your kind consideration in this matter.
